Good morning John,

Yes, this week is a great time for me. My plans are to write it this week and next. In case you were curious, I usually leave the 316a/b items until last. I am free after 9:30 tomorrow, I am busy from 11-1130 and 1-2 Thursday, and busy 1:30-2:20 Friday.

Thanks,
Pam

Subject: Ameren Labadie

Pam, Heather,

Ameren has submitted a final 316(b) intake application and 316(a) variance request. Could we set up a call to discuss the development of the Labadie permit?

Thanks. --JD
